

# GREENWOOD DALE FOUNDATION TRUST

## School Direct Teacher Training Programme 2017/2018

Train to become a teacher with the Greenwood Dale Foundation Trust and benefit from a tailored package of support and development from outstanding, experienced teachers and tutors.

In conjunction with either The Cambridge Partnership, Bishop Grosseteste University, Nottingham Trent University, or the University of Nottingham, the Trust is offering over 40 training places in 16 of our academies, to start in September 2017. Based in one of the academies overleaf, trainees will study for a Post Graduate Certificate/Diploma in Education (PGCE/PGDE) with Masters credits.

Since 2013 we have successfully trained more than 70 teachers through School Direct, with an impressive 100% employment rate upon completion of the course.
