10th May 2021

Dear Parents and Carers,

Re: Kingswood Primary Academy Nursery Proposed Closure

Following the consultation to change the age range from 3-11 Years to 4-11 years to remove the nursery provision at Kingswood Primary Academy, I write to confirm that, following a review of the consultation responses, the Greenwood Academies Trust have agreed to proceed and submit a significant change fast track proposal to the Department for Education (DfE), which will require approval by the Secretary of State for Education.

If you wish to see the full consultation report, please visit the following websites and click on the news section:

www.kingswoodprimaryacademy.org

www.greenwoodacademies.org

Your views and opinions are very much appreciated, so thank you for the responses we received and the support given.

We have to wait for the approval of DfE before we can confirm the actual closure, however, ensuring all pupils have access to the best possible education and opportunities continues to be the Academy's top priority, which is why, with the support of Greenwood Academies Trust, we are able to offer any current Nursery children a place at The Trust's Hazel Leys Academy from September 2021. Hazel Leys Academy is located on Gainsborough Road, which is a very short distance from Kingswood Primary Academy. It is also under my leadership and has an excellent Nursery provision.

Please inform the school office, as soon as possible, if you wish your Nursery aged child to take up a place at Hazel Leys Academy from 1 September, should the closure be approved.

All future updates will be posted on the above websites. However, we will write to parents to confirm the closure as soon as we receive the proposal.

If you have any queries, please do not hesitate to contact us.

Yours sincerely

**Mrs Chrissie
Barrington**
Executive
Principal
